**Public Comments using WebEx:** if you would like to make public comment, on the WebEx screen, please “raise your hand” as follows:

To use the feature:

2. Click on the Raise Hand button which will place a small hand icon next to your name in the participant list.

3. Click on the Lower Hand button to withdraw the request.

If there are many raised hands, the moderator will call on participants in the order in which the requests were received.
